

Anti-ageing Explosive Cocktail 1403E-AAEC

This amazing oil will give you a firework of skin regenerating activity, supported by a proven efficacy.

This anti-ageing cocktail, thanks to our latest microalgae extract, will significantly increase the **collagen synthesis up to 20%** and **reduce wrinkles volume by 12%**.

This oil serum presents anti-glycation properties for a global anti-aging result : **reduction of 60% of the AGE** (Anti Glycation End product) formation.

In addition this precious blend neutralizes oxidative stress; the anti-oxidant property has been demonstrated by the DPPH test : **reduction by 58% of free radical** formation.

Our anti-ageing explosive cocktail will also protect you from sun damage, by **inhibiting redness** and reducing the dehydration effect.

Ingredients	INCI	%	Function
